

Dear Parent,

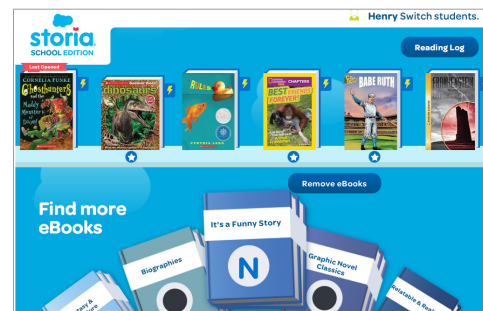

I'm so excited to introduce you to Storia School Edition – the new eBook library from Scholastic that our school is using this year!

Students of all ages and reading levels love Storia's digital reading experience, and having Storia eBooks in our classroom will be a huge help for motivating readers and bringing an exciting digital component to our daily curriculum.

And here's what's really great: your child has their very own account so they can also sign in to Storia at home to read eBooks on their own, or complete class assignments. Access at home is free and you can sign in on any device with an Internet connection, including desktops, laptops, and tablets.

To help your child sign in, follow these easy steps:

- 1 Go to storiaschool.com.
- 2 Enter your child's username and password found below.
- 3 Start reading by selecting an eBook from the bookshelf, or browse the carousel below the shelf to find other great eBooks.

Let's make this a great year for eReading!

Username _____

Password _____

(Your child also received a handout with this information at school.)
